

DR. CLEMENT NOSA EKHATOR Ph.D

MBBS, MPH, M.Sc.

115B, IDUMEBO-IRUEKPEN ROAD, EKPOMA

Phone: 08035908665, e-mail:cleo4real@yahoo.co.uk

BIO DATA

Sex:	Male
Date of Birth:	21 NOV, 1972
Place of Birth:	Ekpoma
Marital Status:	Married
Nationality:	Nigerian
State of Origin:	Edo
Local Govt. of Origin:	Esan West

INSTITUTIONS ATTENDED WITH DATES

- University of Benin, Benin City (M.SC) 2011
- University of Benin, Benin City (MPH) 2009/2010
- University of Benin, Benin City (MBBS) 1993 – 2001
- Ika Grammar School, Owa ,Delta (SSCE) 1984 – 1990
- Agbor model Primary School, Agbor (FSLC) 1978 – 1983

ACADEMICS QUALIFICATION

- Ph.D Degree in Physiology 2019
- Masters in Physiology (M.SC) 2011/2012
- Masters in Public Health (MPH) 2009/2010
- Bachelor in Medicine and Surgery (MBBS) 2002
- Secondary School Certificate 1990
- First School Leaving Certificate 1983

CERTIFICATES

African First Ladies Peace Mission (AFLPM) <i>Certificate of Investiture</i>	2014
Centre for Leadership and Manpower Development	2012
Oxford Health Consultants <i>Certified Health Business Professional</i>	2012
Global Fund/Society for Family Health <i>Certificate in Malaria Prevention and Treatment:</i>	2010
NYSC Exemption Certificate	2004
General Certificate Exam	1992

WORK EXPERIENCE

Medical Officer : **2003 – 2004**
Irrua Specialist Teaching Hospital, Irrua, Edo

Medical Officer **2004 – 2007**
Edo Medical Centre and Orphanage

Medical Officer **2005 - 2006**
Modic Medical centre

LECTURER **2007 –till date**
AMBROSE ALLI UNIVERSITY, EKPOMA, EDO STATE.

PROFESSIONAL ACTIVITIES

1. Teaching of physiological courses to:

- BSc Physiology, Medical Laboratory Sciences ,Anatomy and Nursing Science Students.
200L and 300L pre-clinical medical students
And M.SC students.
- Examinations of the above mentioned students.

2. Supervision of Undergraduate and post graduate seminars and projects

POST GRADUATE STUDENTS SUPERVISION

a) Co-supervision of M.SC student thesis.

Name: Uwaifoh Akpamu

Title of thesis: The combine effect of testosterone and vitamin C on indomethacin induced peptic ulcer in female sprague Dawley rats.

Year: 2011/2012

Name: Ekhoje Isimenmen

Title of thesis: Effect of Restricted feeding Schedules on circadian Rhythm of plasma corticosterone in Alloxan induced diadetic Rats

Year: 2011/2012

Name: Shelu Jonathan

Title of thesis: Effect of cortisol on hematological parameters and blood glucose.

Year: 2011/2012

RESPONSIBILITIES

- Course Adviser 300L 2008-2009
- Course Adviser 400L 2009-2010
- Faculty Time-table Officer 2010-2011
- Member University Time-table Committee 2010-2011
- Course Adviser 400L 2011-2017
- Coordinator Foundation Programme (physiology) 2011-2014
- Member faculty representative library committee 2012-till date
- Coordinator Post-Graduate Programme (physiology) 2014-2017
- Chairman postgraduate thesis defence, physiology department. 2017 till date

- Head of Department of physiology Aug 2017 – Jan 2018
- Head of Department of physiology 2018 till date

MEMBERSHIP OF PROFESSIONAL BODIES/TRADE UNION

- Physiological Society of Nigeria (PSN)
- American Society of Nephrology (ASN)
- American Physiological Society (APS)
- Nigeria Medical Association (NMA)
- Academic Staff Union of Nigeria Universities (ASUU)

RESEARCH INTEREST

Research work into various aspect of physiology particularly:

Endocrinology, Renal, Respiratory physiology and public health.

PUBLICATIONS

1. **Ekhator CN.** and Ebomoyi MI. (2018). Comparative Study on the Effect of Parity on Serum Bone Mineralization Parameters (Calcium and Phosphate) in Pre- and Post-Menopausal Women. *Journal of Women's Health and Reproductive Medicine*; 2:1-5.
2. Ekhator, C.N. and **Shelu, J.O.** (2015). An Experimental study on the abortifacient potentials of unripe seed extract of *Carica papaya* in adult female Wistar Rats. *Journal of Pharmacy and Pharmacology*. 3(6):61-65.
3. **Ekhator CN.**, Osifo UC. and Akpamu U. (2014). The effect of oral contraceptive pills (containing low doses of synthetic hormones) on liver function in adult female rabbits. *Asian Journal of Biotechnology*; 6(1): 15-20.
4. **Ekhator CN.**, Omorogiuwa A. and Akpamu U. (2014). The effect of combined oral contraceptive pills (COCP) containing levonorgestrel and ethinylestradiol on kidney function. *Trends in Applied Science Research*; 9(5): 269-274.
5. Iyamu OA., Ugheoke JE., **Ekhator CN.**, Aigbe O. and Airhomwanbor KO. (2014). An age-based comparison between sickle cell disease and sickle cell traits in terms of oxidative status. *American Journal of Medicine and Medical Sciences*; 4(2): 66-71.
6. Shelu JO., Okhia O., **Ekhator CN.**, Aigbokhaebho EI. and Oyadoghan GP. (2013). The effect of stress on glucose metabolism and growth performance in

Spaue Dawley rats. *International Journal of Basic Applied and Innovative Research*; 2(4): 131-134.

CONFERENCE PAPER

1. Ernest-Nwoke IO., Akpamu U., **Ekhator C.N.**, Idehen I.C. and Osifo U.C. (2014). Morphological study of the protective potential of vitamin C on Indomethacine-induced gastric ulcer in female rats. *A paper presented at the 33rd Annual Scientific Conference of the Physiological Society of Nigeria. Ibadan –Nigeria.*
2. Shelu JO., Okhia O., **Ekhator C.N.**, Otamere HO., and Osifo UC., (2014). The effect of stress on glucose metabolism and growth performance in Spaue Dawley rats. *A paper presented at the 33rd Annual Scientific Conference of the Physiological Society of Nigeria. Ibadan –Nigeria.*
3. Okojie A.K, Inegbenebor U. **Ekhator C.N**, Okosun J and Emeri C.O. (2009): Reninangiotension System. A Prime Factor in the Pathogenesis of Preeclampsia. *29th Annual Scientific Conference of the Physiological Society of Nigeria.*
4. A. Omorogiuwa, U. Inegbenebor, **C.N. Ekhator**, U.C. Osifo, M.O. Ozor and I.T. Omorogiuwa: Spermatogenesis in Motorcyclist in Benin, Nigeria. *29th Annual Scientific Conference of the Physiological Society of Nigeria.*
5. **Ekhator, C. N**, Ebomoyi M. I. Menopausal Related Effect of Thyroid Hormones on Body Mass Index in Postmenopausal Women: A keynote *Talk at the International Conference on Oncology and Hematology, Flora Grand Hotel, Dubai, UAE, 17th June, 2019.*

6. **Ekhator, C. N**, Omorogiuwa A; Shelu J. O. and Akpamu U. Change in Gonadotropins in Postmenopausal Women: Effects of Parity. *Plenary Talk at the International Conference on Oncology and Hematology, Flora Grand Hotel, Dubai, UAE, 18th June, 2019.*

REFEREES

1. **Prof. Mrs Ebomoyi M.I.**,
School of Basic Medical Sciences,
Department of Physiology,
University of Benin, Benin City.
2. **Prof. B.O. Obadoni**
Department of Botany
Ambrose Alli University, Ekpoma
- 3 **Dr A. Omorugiuwa**
Department of Physiology
University of Benin, Benin City
